Manager Wright reported the annual Government Auction was a great success. He also stated the Youth-In-Government program was also a great success. Manager Wright addressed the issues that the Youth-In-Government representatives brought up at the Youth-In-Government Special Council Meeting. On the directional signs, the consensus of Council is to have Manager Wright contact the school to see how much money the Class of 2001 set aside for the signs, and to ask the Class of 2001 to form a committee to see what sign(s) they want. The second issue, moving the stop bars back at Arlington and Triggs Roads, will be considered when the streets are striped this year. On the third issue, there is an ordinance in effect on restrictions of rollerblading in the street. Law Director Stephan suggested that Officer Jerome present an overview of the ordinance to students when they resume their classes in the fall.
