Manager Wright proposed to Council that we offer the use of 96 gallon toters at a cost of \$2.00/month rental fees, or the resident may purchase a toter at the city's cost. This will be done on a voluntary basis. Manager Wright stated the use of toters will help keep the community clean. Discussion followed.

Manager Wright informed Council that he, Law Director Stephan, and Assistant Manager Sewert will be meeting with the City of Dayton, to discuss a final draft of the new Water Agreement.

Manager Wright requested Council input on EMS billing. Manager Wright reported that Clay Township has already given their support to the City of Brookville for EMS billing, and that the Village of Phillipsburg is moving forward with EMS billing. Discussion followed. Member Imler stated she did not care for the idea of EMS billing within Clay Township only; she felt that EMS billing should be done within the Brookville Fire District which is in both Clay and Perry Townships. Manager Wright will contact Perry Township to see what direction they are taking with EMS billing.

Manager Wright reported that the City has a cat problem. The city has received numerous phone calls in reference to stray cats roaming throughout the city. At this time the city does not have anyone that can pick up stray cats, nor does the Humane Society pick up cats. Manager Wright stated the city may look at contracting with a private firm, such as Critter Control, to set live traps at a cost of \$60.00 per cat. The cat will then be taken to the Humane Society where it will be held for a couple of days. Discussion followed with no action taken.
