The "Youth-In-Government" Council asked the regular Council to look into paving the alleys surrounding the school parking lot. Assistant Manager Stephan stated this would be a good idea, but it may cause people to speed through the alleys; maybe speed bumps could be added to alleviate any speeding. Another request was to change the speed limit along East Westbrook Road to 35 MPH from the current 25 MPH. Police Chief Papanek stated there were several reasons for implementing the 25 MPH speed limit, all of them relating to safety issues. Another request was to place a traffic signal at the Arlington Road and W. Upper Lewisburg Salem Road intersection. Manager Wright indicated we are currently in the preliminary phase of realigning the intersection. He also indicated a traffic survey will be conducted in the near future to see if that intersection warrants a traffic signal. Another request was to place a traffic signal on Arlington Road by McMaken's entrance. Manager Wright indicated that did not warrant a traffic signal. Another request was to implement specific hours on the school speed limit signs, versus the current wording of "during restricted hours." Council and the Department Heads will take the suggestions under consideration.

Motion by Garber, seconded by Sanders to adjourn. All yeas, motion carried.
